

Welcome to the League of Innovators Mentor Program, we are very excited to have you join us as a mentor in our Labs Accelerator Program. Together we will guide, advise and impact young entrepreneurs from across Canada in launching and scaling their ventures! There are many opportunities to get involved as a mentor throughout the year. Let's get started!

Meet our inspiring community of Labs ventures, their teams, and learn about their startups! This virtual session allows you the opportunity to hear directly from the Founders, see the baseline for their accelerated growth, and reach out to the ventures you feel you can help.

## Meet the Ventures

**Sessions run at the start of Labs in September & February**

**Mentors are contacted in September & February**

## Venture Huddle Take-overs

Venture Huddles are virtual weekly accountability groups lead by the LOI team members. Each group is assembled based on industry and business stage. Share your expertise and industry knowledge to help ventures overcome roadblocks and answer pressing questions.

Share your expertise and knowledge to advise entrepreneurs to make strategic decisions and overcome barriers 1-1. Each mentor's office hours are 90-minutes long on Google Hangouts where you will see 3 ventures (30 minutes each).

## Virtual Office Hours

**Opportunities the last week of every month**

**Events in March, July, & October**

## Meet the Mentors Events

Finding the perfect mentor can be tough! That is why we are excited to introduce our "Meet the Mentor" virtual events. This fun and fast-paced event will help you meet with several ventures, learn about them and their ventures before choosing who you would like to work with. Making the most out of your mentoring experience.
